

## Jersey Rowing Club- Locker usage update (Nov 2024)

### Locker Assignment:

- Lockers are for the use of JRC members only.
- A request for a JRC locker needs to be made on annual basis, around time of membership renewal (the Committee are allowed to determine how the request can be made).
- There are three sizes of lockers available which are priced accordingly.
- The lockers are assigned and rented out on an annual basis.
- Locker size is allocated based on crew size (where possible).
- Members are required to label their own locker and use their own locks.
- Once the membership renewal deadline has passed, any lockers assigned to members who have not renewed will be reclaimed and reallocated. The lock will be removed, and any belongings found in the locker will be held for a maximum of two weeks, after which they will be disposed of if unclaimed.

### Usage Guidelines

The lockers are for the use of rowing equipment.

### Security and Member Responsibility

It is not recommended to leave any valuables in lockers. The JRC is not liable for lost or stolen items.

### Locker Maintenance

Lockers will be maintained by the club house sub- committee. Please notify them if needed. It is the responsibility of members to keep their lockers clean.
